

**TRONEX - GENERAL PURPOSE
LATEX POWDERED DISPOSABLE GLOVES
Code# 1510**

Quality Assurance:

- * Acceptable Quality Level 2.5.
- * Complies with U.S. FDA title 21 CFR for safe handling of food

Product Features:

- * Uniformly powdered high grade corn starch
- * For light industrial applications
- * Provides barrier protection for bare hands and minimizes cross contamination
- * Ambidextrous, beaded cuff

Sizes and Code #:

Small	Medium	Large	X-Large
1510-10	1510-20	1510-30	1510-35

Tensile strength & elongation:

	Before Aging	Aged
Tensile Strength (MPa)	18 (min)	14 (min)
Elongation at break (%)	700 (min)	500 (min)
Median Force at Break (N)	9 (min)	6 (min)

Dimensions: (all dimensions in mm)

Length	Width (±3)				Palm Thickness	Finger Thickness
240 (min)	S	M	L	XL	0.13 ±0.03	0.15 ±0.03
	84	94	105	113		

Packaging:

Dimension	Case Cube	Weight (lbs)				Case/Pack	Pallet Quantity	TI/HI
(L) x (W) x (H)	0.90 cu/ft.	S	M	L	XL	100 x 10 box=1000	70 cases	10/7
15.5" x 10.25" x 9.75"		14.75	15.25	16.25	17.75			

Storage: Store in cool place away from sunlight.

Quality Assured Manufacturing

Caution: This product contains natural rubber latex which may cause allergic reactions.

Note: Specifications are subject to variation.
